

THE BRASSERIE

AT FONAB

Opening times - 5.30pm to 10pm

Scotland has an enormous natural larder, producing a range of quality seafood, meat, game, fruit and vegetables.

We are delighted to be able to support the local economy using the finest of ingredients from our local suppliers in and around Scotland.

All of our meat is chosen from fully accredited Scottish Farms and where possible from rare breed farms. In supporting rare breeds, we are playing our part in helping to conserve breeds that are in danger of being lost to future generations.

Our Beef is aged for a minimum of 28 days, hand cut by highly skilled butchers, using time honoured techniques. Ageing the steak in this method gives our steak increased flavour and intensity, creating the best flavour possible.

Our shellfish is sourced from the shores of Scotland, offering Hand Dived Scallops. Our Langoustine and Lobster are from the Orkney Islands and Mussels from Shetland. We only use the finest white fish, caught from sustainable sources and delivered fresh every day.

Our Smoked Salmon is sourced from local Scottish suppliers and smoked using 3,000 year old techniques, giving the smoked salmon a truly unique smoky flavour.

We only use Wild Game from Scotland, traceability is key and we ensure that estates and gamekeepers we work with are legally certified, trained hunters. Ensuring they are abiding to the seasons and that they protect the welfare of the animals and their natural habitat.

Enjoy the richness and flavour of Scotland's natural larder through the seasons
